

INFORMATION ON THE PROCESSING OF PERSONAL DATA
(Art. 13 Legislative Decree n° 196 June 30th, 2003 “Code on personal data protection”)

Sterigenics Italy S.p.a., as owner of the treatment, informs that the treatment of some personal data is required to perform the obligations arising from the contractual relationship in place, or to fulfil specific requests before contract conclusion, or to perform specific regulatory obligations.

For these purposes the consent of the involved person is not needed, and it is not needed (see art. 24 of L. Decree n°196 June 30th, 2003) in particular for eventual transfer of the data to couriers, postal institutions, banks or professionals, performed exclusively to fulfil contractual obligations.

Personal data will not be spread.

Under the above purposes, some commercial data/related to economical reliability (however regarding the conduct of economic activities) could be gathered by specialized Companies. Some of the data, such as name, address, e-mail address, could be used to send info and news about Sterigenics Italy Spa services and products; you can oppose to this sending by writing to Minerbio_Finanza@sterigenics.com specifying your name, address and location.

Some of the data related to economic activities, could also be used for reference lists or Company/professional curricula. The provision of information is optional; nevertheless, without the provision of some of them, the contractual relationship may be impossible.

The data provided will be treated both on paper and by electronic means.

Personal data may be anyway treated by specific Sterigenics Italy Spa personnel.

Requests to exercise rights provided by the Code (art.7 and following L. Decree n° 196, June 30th, 2003: eg access, cancellation, updating, rectification, integration ecc.) may be directed to the owner of the treatment:

Sterigenics Italy Spa, via Marzabotto 4 – 40061 Minerbio (BO) Italy. Tel. +39 051 6605998
Fax +39 051 6605574. e-mail: Minerbio_Finanza@sterigenics.com.

The official internal privacy responsible is Ms. Vania Lelli, available at above mentioned addresses.

A complete and updated list of the people in charge of data treatment can be asked at the above mentioned addresses.
